Dear Grandchildren and Grandparents,

We want to do something special on **February 7** during our Sunday service (10:30am at www.facebook.com/GraceChurchNampa/live). We want to celebrate the Feast of the Presentation by asking all **grandchildren** to invite their grandparents to join them in worship. *Grandparents are any people who are older than your parents and who know and love you!*

Grandparents, we would like you to invite your grandchildren. There are coloring sheets to download and candles are required! Each family should have a candle that could sit on a table and be lighted safely. This is a great time to make sure they have a picture of you they can set on the table as well.

We have included an invitation you can make beautiful and send it by mail or scan to email. You could call instead, whatever is best for you. Then on Sunday it would be fun to Facetime your as you both follow the service, if you can.

For those families that have a Christ Child figure, please plan to set that out as well.

Candlemas is always celebrated in this cold gray time of winter. It helps us experience the Light of Christ that has come into the world. It gives us a chance to give thanks for one another, for age and youth and the wonder of God.

Karen+ and Mia+
